GRS 是一项国际、自愿和全面的产品标准，规定了回收内容、产销监管链、社会和环境实践以及化学品限制的第三方认证要求，也叫全球回收标准。GRS 的目标是增加产品中回收材料的使用（一般要求达到20%以上），并减少/消除其生产所造成的危害。

GRS is an international, voluntary and comprehensive product standard, which stipulates the third-party certification requirements for recycling content, chain of custody of production and marketing, social and environmental practices and chemical restrictions, and is also called the global recycling standard. The goal of GRS is to increase the use of recycled materials in products (generally more than 20%) and reduce/eliminate the harm caused by its production.
